Mid-Term Evaluation

(1) What aspects of the lectures have been most helpful? The least helpful?

(2) Is the pace too fast or too slow? Is the material too difficult or too easy? Estimate how much time you spend weekly on this course.

(3) How do you feel in the classroom environment? In what ways is the atmosphere a good atmosphere for learning? How comfortable are you about asking questions in class?

(4) How approachable/accessible is Chris? How have you taken advantage of his availability?

(5) Comment on your own participation. In what ways have you contributed to the quality of learning in the class?

(6) Is there any way in which you would change the courses so far? Please give a suggestion or two. Is there anything else Chris should know?
